Our Team

Nelson Grist

CEO

Global CPG industry executive with progressive international leadership and general management experience across North America. Proven transformational leader, strategic thinker, and change agent with a track record of creating shareholder value through profitable growth, brand development, performance improvement and team building. Significant experience in the areas of P&L management, organizational design, consumer marketing, commercial capability enhancement, supply chain, talent development, and bringing cross-functional work groups together with a common goal to produce outstanding results.

Our Team

Meg Land

Executive Assistant to CEO

Megan is a proven and highly successful, top-level Executive and Personal Assistant to very successful, influential business owners of Fortune 50 companies. Her esteemed history of directly supporting Chairman/CEO-level leaders of top US Corporations have brought an exceptional depth of knowledge in achieving aggressive targets and dynamic growth with maximum efficiency.

Our Team

Amy Roberts

Vice President of Business Operations

Amy Roberts brings over twenty-five years of business development, sales, and executive management to her role as the Vice President of Business Development for Perk International. Amy is an accomplished executive with domestic and international experience in sales, product development, product design & branding, multi-channel product distribution, and marketing involving both start-up and growth organizations.

Our Team

Maggie Hansen

Director of Business Development

Maggie studied esthetics at California Hair Academy where she learned how to create beautiful skin and work in a spa environment. Maggie is certified as an Esthetician, Make-Up Artist and in Microblading, all of which she has excelled at in her career. In 2007 she created Dolled Up Industries servicing brides across Southern California. Helping women feel confident and comfortable in their skin has always been a passion. Later in her career, Maggie developed her own brand in 2019 called Blush Emergency Period Kit. Bridging the gap between parent and daughter, while eliminating the fear of a first period. This is achieved by giving parents a catalyst for conversation and providing age appropriate content.

Thank You
